PRESIDENT'S GREETING

Welcome to Carlisle Cutchin Stadium and to 60 minutes of thrilling and exciting football. Your interest in wholesome athletics is deeply appreciated.

Murray State College is dedicated to the task of providing an effective program of education in all the areas of a well rounded life. It is hoped that you will become thoroughly familiar with the campus and with the offerings in each department.

Come back another day and visit our classrooms, our laboratories, get acquainted with the members of the faculty, and visit with the students.

There will be a seat for you at basketball games this winter and we hope you will avail yourself of the privilege, not only of seeing football, but also of seeing the basketball games.

We welcome followers of our opponents. We are glad you came. We hope you enjoy every minute of your visit to the campus of Murray State College. We are proud of our pleasant relations with our neighbors.

Please come again, and often.
